Hope your vacation went well. I would like to talk w/ you some time about the project. While you were out we reviewed our needs again and concern came up whether or not the ASPECT could achieve the desired MDA.

Let me know when you have time to talk. I'm scheduled to be deployed on the 27th to the Gulf. If you're still there, maybe we can talk then.

Thanks,

Brad

Hi Brad,  
I'm back from vacation and deployed to the BP Oil Spill response. Do you have any questions about our previous submission? If not, we'll sit tight and wait to hear anything.
